CAPITAL FEE 2012-13

Beginning with the 2001-02 school year, a capital fee was included in each TRIAD family's Catholic school tuition statement. The fee was recommended by a committee of TRIAD Catholic school educators and parents as a means to provide necessary funding for capital construction of schools. The annual fee for the 2001-02 school year was $708 per family (with children attending grades K-12), with increases planned at the rate of 5% annually. The annual increases were planned in order to meet the debt service requirements of a bond issue, the proceeds of which were used for the construction of Bishop McGuinness Catholic High School. Based on the repayment schedule, the bond will be repaid in 2017, at which time the capital fee will be discontinued or adjusted to reflect current needs.

Full-time employees of TRIAD schools with children attending TRIAD schools receive a 50% reduction in the capital fee. Each TRIAD elementary school will retain 12% of the total annual capital fee amount to provide financial assistance for students, and for operating or capital support of their school. In addition, each school retains 4% of the anticipated capital fee proceeds to cover billing and other collection-related costs. The balance of fees payments is used for debt service relating to the bond issue.

For the school year 2012-13, the following capital fee structure for families is:

995 Per family fee with the youngest student attending BMCHS AND if the family paid the TRIAD capital fee when their child (ren) attended Catholic school grades 6, 7, and 8;

Annual = 995 Semester = 498 Monthly = 100

1,495 Per family fee with the youngest student attending BMCHS AND who did not pay the TRIAD capital fee to a Catholic school for grades 6, 7, and 8.

Annual = 1,495 Semester = 748 Monthly = 150

****

FINANCIAL AID GUIDELINES

Bishop McGuinness Catholic High School strives to provide financial assistance to all needy families each school year. Our financial assistance is ALL need-based. Sources of funding are:

Parish Subsidies	80% of subsidy monies (Catholic families)
TRACS Annual Appeal:	Designated % of funds received
BMCHS Budget	$35,000 each year minimum
Winston-Salem Foundation	Per their Board's allocation
Diocesan Scholarships	Per their annual determination
Endowment Funds	Per Foundation Investment Policy

BMCHS contracts with the agency Private School Aid Service (PSAS) to receive, review, compare, and advise allocation amounts based upon family-submitted information on their application forms. The due date for these application forms **at PSAS is 4/1/12. BMCHS will notify recipients of awarded funding by mid-May. NOTE: BMCHS allocates** awarded funds on the same frequency which you elect to pay your tuition for the year (e.g. monthly, semester, etc.)

If a student has been awarded financial assistance and subsequently withdraws from BMCHS, only those funds applicable to the time enrolled will be awarded. The balance of approved funding is forfeited.

Awarded financial assistance can only be used for fuition (no other fees.) Financial aid must be applied for each consecutive year. It does not carry forward from one year to the next. Assistance granted ranges from $1,000 to $4,500 based upon parent need as determined by PSAS. This need can be determined in relation to family income, single parent/head of household status, number of students in school, and other family situations which contribute to identified financial need.

NOTE: NO financial assistance applies to the JUNE payment which is non-refundable and is a part of the entire year's tuition. Aid is distributed on the same frequency which you elect to pay tuition. It begins in AUGUST.
