Theology:

The St. Joseph Award Jonathan Riccoboni

Very little is said about St. Joseph in the Gospels, yet his life speaks volumes. Chosen to be the earthly father of Jesus, St. Joseph lived with quiet strength, humility, and unwavering faith.

The St. John Paul II Award Tyler Sturgill

Karol Wojtyla displayed many talents even before he became Pope John Paul II. He was artistic, athletic, a wise philosopher, and a brilliant theologian, too. He resisted Communist oppression in his native Poland and collaborated with world leaders for solidarity.
