

# BISHOP MCGUINNESS CATHOLIC HIGH SCHOOL

IS LOOKING FOR A  
**SCIENCE TEACHER**  
FOR THE 2026-2027 SCHOOL YEAR

Bishop McGuinness Catholic High School seeks a dynamic and knowledgeable Science teacher to join our faculty for the 2026–27 academic year. The ideal candidate will inspire a love of learning, support students at a range of proficiency levels, and contribute meaningfully to the school’s mission to form intellect, character, and faith.

## Key Responsibilities

- Teach science courses using effective, research-based practices while developing engaging, standards-aligned lessons in collaboration with colleagues. Assess and support student progress through meaningful feedback, integrating Catholic values where appropriate.
- Maintain a structured, supportive, and engaging classroom with high expectations for student achievement and behavior.
- Collaborate professionally with faculty, participate in school activities, and communicate effectively with students, parents, and staff.
- Support student success through additional assistance, regular communication, and encouragement of active engagement.

## Qualifications:

- Bachelor’s degree in Science, or a related field (Master’s degree preferred).
- Current teaching license or willingness to pursue licensure.
- Strong communication and organizational skills.
- Commitment to the mission and values of Catholic education.

## Preferred Skills:

- Experience teaching at the high school level.
- Ability to integrate technology effectively into classroom instruction.
- Collaborative mindset and enthusiasm for contributing to school culture
